

Genie GS2632

Ref: WP6983 / £8,750.00

Overview

This 2017 Genie GS2632 will receive a full service from one of our Genie trained engineers, a new 6 month LOLER certificate, and a 6 month warranty. Ideal for work down narrow isles, the GS2632 is just 0.81m wide and still achieves an impressive working height of 9.92m. Standard features include solid non-marking tyres, 0.91m slide out extension deck, pothole guards, onboard diagnostic system, battery charge indicator and proportional lift and drive controls for precise positioning.

Specification

- * Metric Working Height: 9.92m
- * Metric Lift Capacity: 227kg
- * US Working Height: 32ft
- * US Lift Capacity: 500lbs
