

Genie S-60 DC

Ref: WP21768 / £70,000.00

Overview

The Genie S-60 DC electric boom lift offers equivalent performance to a 4x4 diesel machine in a clean, quiet electric boom. The ultra-efficient electric AC drive motors allow for a full day's performance on a single battery charge.

Specification

- * Metric Working Height: 20.60m
- * Metric Platform Height: 18.60m
- * Metric Machine Width: 2.49m
- * Metric Lift Capacity: 300kg
